Who is HPN?

The Hollywood Prayer Network believes Hollywood is the most influential mission field in the world. We provide tools & info for anyone who will commit to pray for these people that God cares so much about. We've designed our list to include kids, teens, and adults who create entertainment that influences culture. Check us out on the web at: www.hollywoodprayernetwork.org

Where do I start?

God wants to hear from *you*. Talking with God can be as simple as talking to a friend. Who knows what a difference your prayer for these people can make? God gives us the special job of praying for others & prayer can make all the difference in someone's life and career! Find today's date and get started. Don't know who they are? Look them up on the internet.

This Month's Focus:

is the buzz word for special effects. Movies are full of them: visual effects, extreme computer graphics & and good old fashioned explosions. This month we highlight current movies, along with a few actors & fx technicians. We've thrown in a friend or two who we know are already believers in Jesus too.
