This Month's Focus:

This month we've highlighted the cast of TV's "Glee." This wildly popular show from last year has been picked up for a third season. This season the show explored some themes that were uncomfortable, especially for parents. HPN believes it's vital to pray for shows and celebrities even more diligently if we disagree or find them uncomfortable. Pray each will experience the love of God in their lives and relationships. Pray the show's creators will understand how they can shape the stories to be redemptive and provide healthy lessons and role models.
